Renovation in Consumer Products – Hong Kong

New! Fresh! Green!

Time flies and we are entering Q2 of 2016! ALS (Australian Laboratory Services) Consumer Products has just completed the renovation of the Hong Kong office. This creates a NEW IMAGE for the Hong Kong office working environment with higher visibility and transparency. The new office layout facilitates both communications and team work.

We are delighted to see an energetic and fresh atmosphere established in Consumer Products Hong Kong. It is just a start of our transformation - more changes will be coming. These won't only be to the physical environment, but changes aimed at making ALS Consumer Products the first choice and professional quality partner of our clients covering audit, inspection and testing services in TIC market.

Service!

Value!

Reliability!

"Each and every one of us needs to take ownership of the client experience and contribute positively (even in very small ways) to the overall experience, to create an ALS Experience that sets us apart from our competitors."

~ Greg Kilmister, CEO ALS Limited

We are growing and having more new talents joining ALS Consumer Products in order to cope with the business growth in this important sector.

ALS's commitment is to let our clients experience **Service, Value & Reliability** throughout all the communications and partnership with ALS. Clients' feedback and comments are most important and valuable for our service enhancement.
