Dear Kentucky Drinking Water Certified Laboratory;

Please find enclosed your laboratory's Drinking Water Certificate for 2019. Please review the certificate and associated list of your laboratory's certified method-analyte pairings for drinking water compliance samples in Kentucky. The attached certificate is valid until December 31, 2019.

**Laboratory fee schedule has been revised (see 401 KAR 8:050). Beginning in late 2019, going forward, the following changes are in effect:**

- Applications (incl. fee payment) are due before November 15<sup>th</sup> each year
- Applications received between November 15<sup>th</sup> and December 14<sup>th</sup> – apply 15% late fee
- Applications received after December 15<sup>th</sup> – apply renewal fee 25%

Please be aware that the revised MDL procedures found in 40 CFR 136 Appendix B are effective as of September 27, 2017 and must be utilized in 2019. For guidance on the new MDL procedures, please visit <https://www.epa.gov/cwa-methods/method-detection-limit-frequent-questions>.

We look forward to working with your laboratory in the upcoming year. Please visit our Laboratory Certification Program webpages for contact information, program updates, renewal schedule/document requirements and links to useful documents.
