**12th January**

**Friday:** ALS Perth will be CLOSED.

**15th January**

**Monday:** Accepting samples at 26 Rigali Way, Wangara (New Laboratory)

All the staff at ALS Perth are excited to be moving into our brand new environmental laboratory facility at **26 Rigali Way, Wangara.**

Please be assured we are planning and preparing to have contingencies in place to minimize the impact to our clients.

As such, we would like to gain a better understanding of any projects that may need particular attention in the New Year. This will help to ensure the laboratory and client services operations are adequately resourced to assist you in achieving desired outcomes. Please contact the Perth Client Services team to discuss services in January.

**All samples should be received at the laboratory within half the recommended holding time to allow adequate time for login and analysis to occur.**
